SOCCER

Soccer '74 proved to be a challenging, defensive year for the ENC Crusaders. Under the leadership of Coach Neil Nichol, the team completed a 9-5 season, largely due to a grueling, hard-headed defense that refused to be beaten. Mike Cox performed superbly in his first year as goalie, showing remarkable agility and quick thinking.

Four players were selected for the All-CISC team of New England. These included Forward Gary Calhoun, a Senior and team captain, and three defensemen, Senior Ron Mazza and Juniors Jon Stinson and Steve Davis.

This excellent defense, when combined with the pressing offense of Donovan Cole, Garth Davis, Stafford Frederick and Steve Miller shows much promise for the coming year.

CROSS COUNTRY

Mike Rundlett served as practice coach. He provided much of the encouragement, enthusiasm, and entertainment that made the ENC cross country team a contender. Despite season-long illness, Mike ran a close second behind Glenn Fell.

ENC Cross Country had its first winning season in its short two-year history. After overcoming a slow start, the Crusaders posted a respectable six wins and four losses. With the return of the entire team next year, ENC promises to have one of the strongest small college teams in New England.

Desire, dedication, and determination are three qualities necessary for a successful runner. Running up to fifteen miles a day is what gave Glenn Fell first place in seven of ENC's ten dual meets. Fell ran 5.0 miles in 25.12 at SMU.

It was a great year. ENC's representation went undefeated with a record of 15-0. Not only did they win all 15 matches, but the girls did it in only 30 games. It wasn't easy, yet with the direction of co-captains Brenda Henley and Barb Mason, it was done.

Next year looks very promising, with Barb Mason being the only player graduating, the team should go far. Thanks coach, without you we couldn't have done it!

MEN'S BASKETBALL

The 1974-75 Crusader basketball season was one to remember. It began with two quick wins at the Gordon Tourney against Gordon and Barrington - each old hard rivals. Then it took a nose dive with seven losses and four wins. The fans didn't like it, but we stuck with them and from the U.M.P.G. game on, the team came alive with 11 wins and five losses. They had settled down to an organized system with Whetstone and Cox, or Parks and Miller, moving the ball up court and Briggs, Wetmore and Barefoot collecting the bounds. Zink, Rouse, Flinner and Giove came off the bench to help demoralize the opponent further.

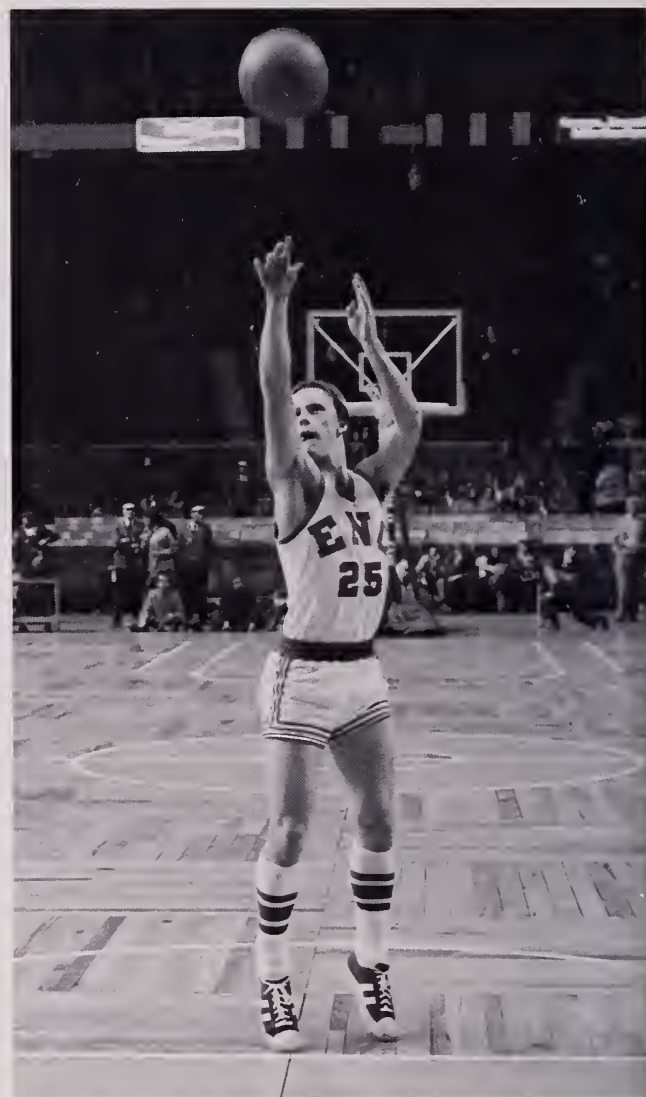

The Crusaders ended their season with what appeared to be Coach Smith's finest coaching season ever at ENC and even took The King's Tournament in fine style. They completed a 17-12 record anyone would have loved to be a part of at any time. Thanks alot, four-year Crusaders - Howie Briggs, Gerry Whetstone and Dan Zink. We will miss your experience on the court.

WOMEN'S BASKETBALL

The 1974-75 women's basketball team led by coach Nancy Detwiler had a winning season, with ten wins and six losses. The team started out slow by losing the beginning two games but with a lot of practicing together it was a successful year.

The fast break worked very effectively this season with Lois Sturtevant (sr.), Brenda Henley (jr.) and Gen Beck (soph.) pulling down the rebounds and passing out to the speedy runners, Janice Irwin (fr.) and Jean Macchi (soph.). But when we used plays for offense we had the captain of the team, Barb Mason (sr.), to set them up.

The team looks good for the next few years because of the ability and coordination of the girls.

BASEBALL

The Crusader baseball team bounded out of the 1974-75 season with a respectable ten wins and 12 losses, which represents a vast improvement over the 1973-74 record. This surge of strength was undoubtedly due to Coach Jim Smith's ability to coordinate the influx of freshmen players with the "veterans" who were actually last year's rookies. The Florida training session was invaluable in encouraging team morale, as well as developing the necessary team skills. This was vitally important since all 22 games were scheduled within only four weeks. We're proud of our Crusaders and expect even greater success next year.

Under the capable coaching of Gary Calhoun, the ENC Women's Tennis Team was inaugurated. Although there were the initial problems of organization, the team managed to pull together and win the final three matches of the five which were scheduled. With the experienced power of Jan Irwin and Irene Jackson, as well as the

combined strength of the various doubles combinations, the team has plans of improving their current record along with an increased number of scheduled matches.

THE A CAPPELLA CHOIR

in concert . . .

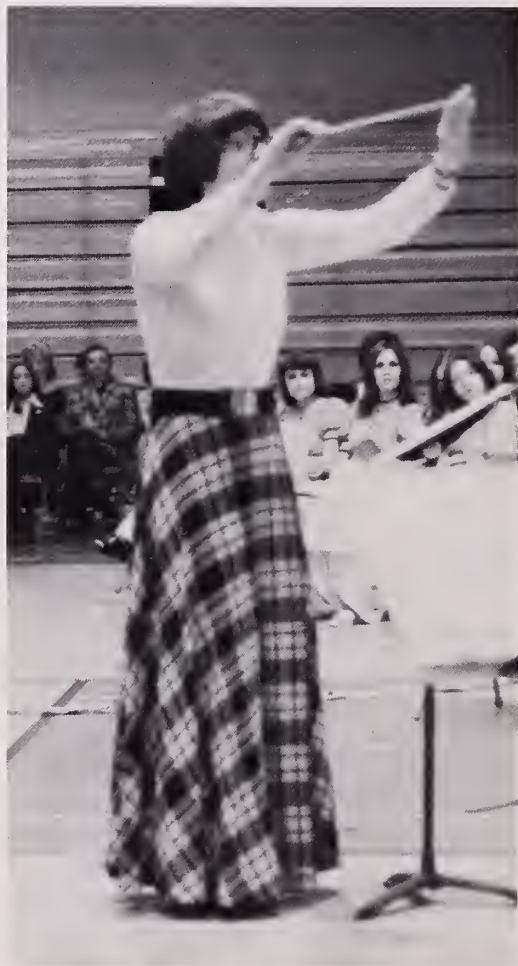

... on tour

The thirty nine voice choir, under the direction of Prof. Larkin, travelled extensively during the year. Their itinerary included a fall tour to Maine and Vermont, an eight day tour over the February break on the island of Bermuda, the annual spring tour which took the choir through New York, New Jersey and Pennsylvania, as well as many Sunday evening concerts in local churches. Singing to thousands of people, the choir always kept one thing in mind; they were a choir with a purpose - God's purpose.

Soccer

Delta was indeed the most active society this year. Sponsoring events such as the pumpkin carving contest, the Delta game night, D-E-L-T-A contest, movies, the pizza sales in the dorms and some fund-raising projects served to involve many students.

Delta once again dominated society sports with several outstanding athletes: Bruce Bakaysa and Chuck Alley in soccer, Bruce and Dennis Bakaysa in volleyball, Reed Smith and Tim Kahler in basketball, and Bob Cornell and Dennis Bakaysa in bowling. Overall, it was one of the Tigers most successful years ever.

The role of the societies is to enhance the social life of the students of ENC. To fulfill this role the society must be people oriented. The only way to depict Kappa is to show you some of the people who compose it. As a part of the mainstream of campus life, these people show their concern for improving the quality of activity at ENC.

With the new school year came new people and new hopes... the race was on... The goal? To finish... No. 1? ... we had hopes... We played other sports... volleyball, bowling, basketball, chess, ping-pong, softball... meeting each game with the anticipation of coming out on top... playing for points yet playing for each other... we would have no sports if it weren't for the people on the teams... and we had people!

Amidst the sports we had time to be ourselves... whatever that might be... we were caught expressing ourselves... the year brought... a beard-growing contest ... an open social... movies... roller skating... Best of all, we were each our own person... together!

Roller skating is the event for January... bowling teams remain active (MVP Metcalf); sending one member to King's ... along with the appearance of the Zeta button: THE BIG GREEN MACHINE IS ON THE MOVE!... coach Wetmore brought us much advice and help on the basketball court (MVP Wilfong) and many coaches helped the new and inexperienced teams of Women's basketball (MVP Mazzacone)...

Zeta is on the move to be the top society... but more than that... to be an expression of each member... each individual... and to be what each person needs.

INTRAMURAL BASKETBALL

The second year of intramural basketball proved as successful as the first. The league was made up of eight teams, as well as a staff team, and was divided into two divisions. There was spirited competition all season with the top two teams in each division going into the playoffs for the championship. In the finals, Manny Silva's team, coached by Colleen Peterson, prevailed, 43-34, over a tough team led by Moses Mulkigian. Both teams were in the same division, and proved to be the top two in the whole league. Faculty teams did not count in the standings, but the games played against them were challenging, and usually laughable. Intramurals should be around for a while as long as the current interest lasts.

Filling in the blanks - that's the job of the editor most of the time. Making assignments, really requests of people, then following through yourself just to be sure its done. It's a round-the-clock job, always thinking of what may be happening that is important to the students you're working for.

It's kicking yourself - because there was no photographer covering an event that may never occur again. It's the frustration of opening a file to do a layout, and finding only two out-of-focus shots of the guest speaker, or an excellent group picture, but no copy to go with it.

But it's also the thrill of seeing a picture and saying, "That's it! That's exactly what happened!" and knowing that's exactly what every other student will be saying when they see it. It's the deep appreciation you feel when someone walks in with a completed layout or piece of copy.

and to my fantastic section editors - John, Ruth, Annie, Betty, Nancy - and of course to Mark. No one could ask for a more cooperative, capable staff. And thank you David, for your understanding and concern for me and the pressures of producing this book. I can truly say I have grown through this year's experience.

The Varsity Club fulfilled the refreshment end of home soccer and basketball games. These events would not be complete without the aroma of freshly popped corn filling the air. Despite the rise in cost of sugar-related prices, the Varsity Club raised enough funds to assist the Athletic Department in sponsoring the Sport Award Banquet at Valle's Steak House. The active participation of each club member made 1974-75 a very successful inaugural year.

February 12, 1975 - Dr. Leslie Parrott announced his resignation to accept the presidency of Olivet Nazarene College.

During his five years at ENC he has traveled widely across the Eastern Educational Zone to acquaint himself first-hand with the leaders and supporters of the College. Significant accomplishments of his administration include:

1) Campus mortgage reduced from \$900,000 to \$170,000 as a result of increased support by zone churches.

2) Lahue Physical Education Center, a student-generated project, completed in record time and fully self-supporting.

3) Married student housing project, a long-felt need, planned for construction in the near future.

4) Record freshmen enrollment in the fall of 1974 as a result of personal efforts by roving zone representatives.

5) Institution of Flying Seminars for pastors and Saturday Seminars for laymen.

Dr. Parrott's contributions to the college and the new directions set by his administration will establish a strong base for, as he states it, "a new era under fresh leadership."

student life

KING'S TOURNEY

Some went by Circle K bus. . .

many more went by car.

The weekend that nearly 300 Crusader fans spent at the 19th annual King's College Tournament was without doubt the high point of the school year. For the fourth time in five years, ENC came away with the trophy.

Playing to the cheers of "Take it!", the 4th seeded Crusaders rubbed out first the 5th seeded Eastern Mennonite, then went on to beat #1 - Barrington and, yes, even the Purple Knights of Briarcliff. The thoughts and feelings of the final two minutes of that last game with Kings and the celebration which followed will long be remembered in the hearts of all Crusader fans.

Commencement

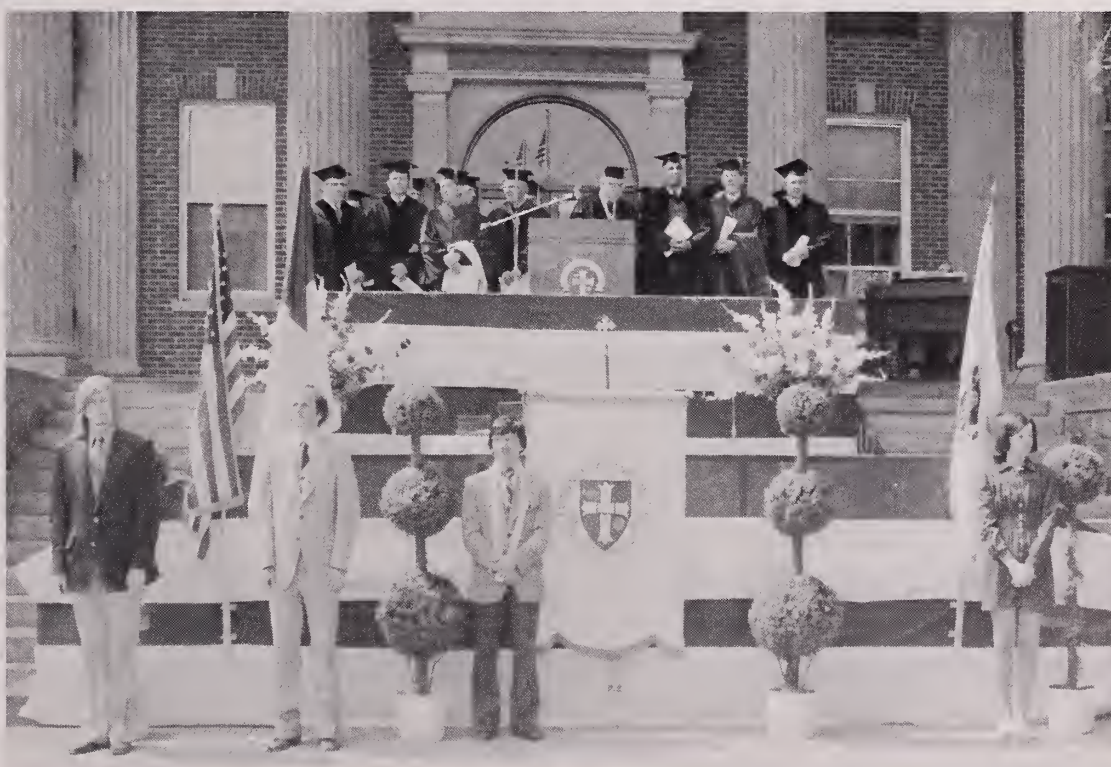

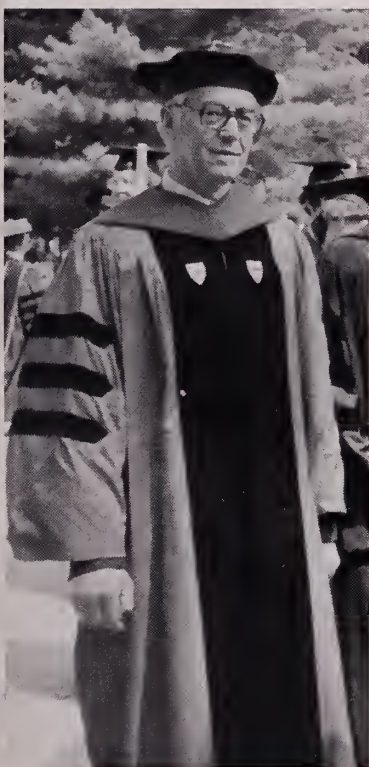

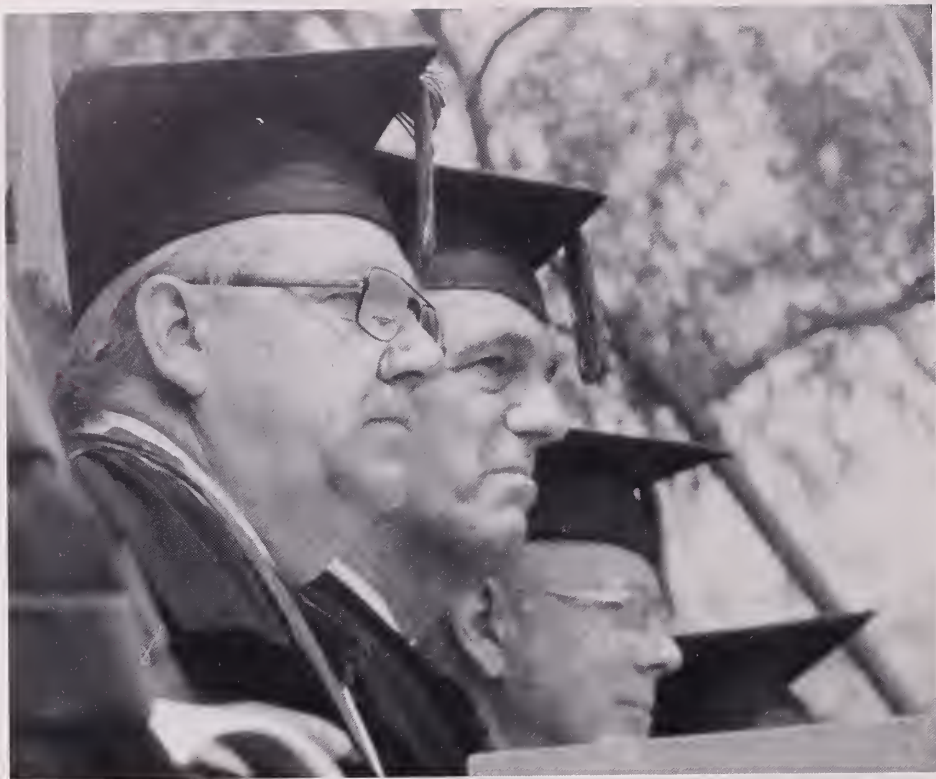

Registration line for life:
One short walk

and a blue book benediction,
the giving and receiving hands of time

a possible reality:

Not a series of courses that give answers:
rather, an opportunity to help individuals
develop in such a way that they become well-adjusted,
thinking, feeling, inquiring, wondering human beings.

"IF"

by Rudyard Kipling

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream — and not make dreams your master;
If you can think — and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings — nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And — which is more — you'll be a Man, my son!
